Germany Beck Project

Weeks 33 & 34 commencing 23rd January 2017

This is the seventeenth edition of the newsletter that keeps you up to date with the progress of the Germany Beck junction works on the A19 in Fulford.

The last 2 weeks have seen little change on site. We have been preparing for the concrete works which form part of the retaining wall structure.

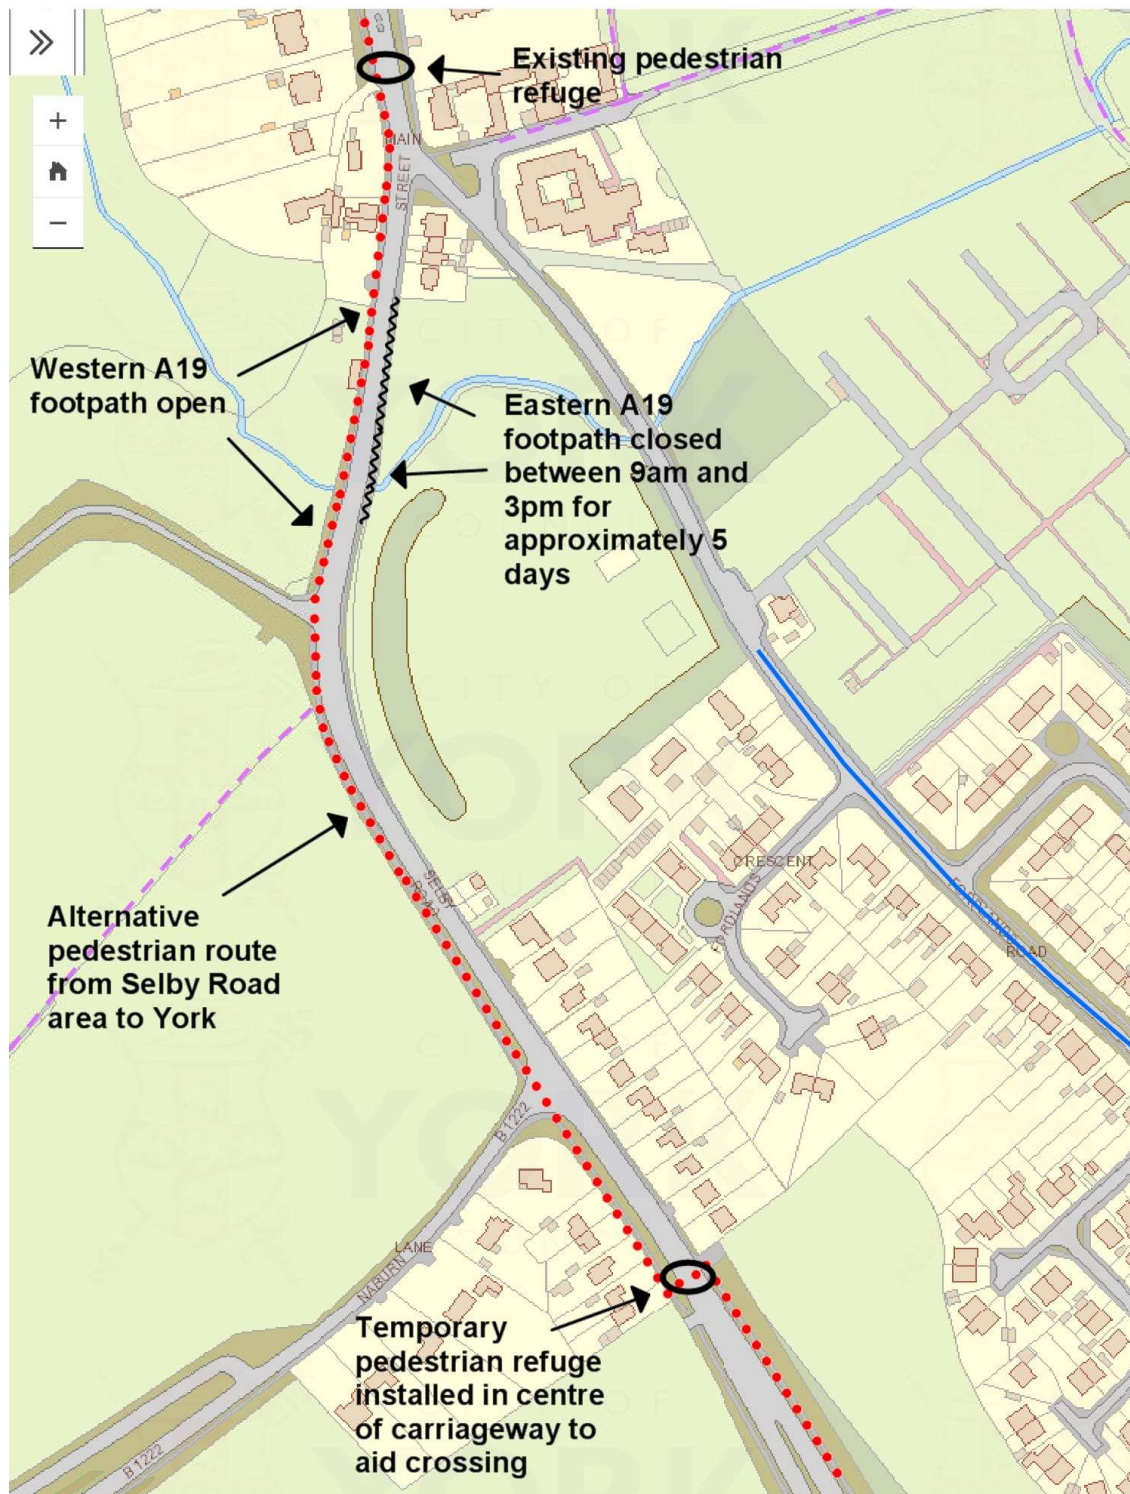

The faulty street light on Fordlands Road has been rectified by the Council's street lighting contractor.

The anticipated site clearance works in the vicinity of the Germany Beck culvert are now scheduled for the end of January with the piling commencing in February. The daily footpath closure as described below is now expected to come into force week commencing 30th January.

In order gain access to the tree stumps we need to remove to complete the piling works adjacent to the Germany Beck A19 culvert we will be closing the footpath that runs along the east of the A19 between the hours of 9am and 3pm. Having monitored the number of pedestrians using the footpath between those hours we know that this should not inconvenience many. However signs will be erected on Selby Road and Main Street to advise you of the footpath closure and a temporary pedestrian island will be installed at a point on Selby Road, as agreed by CYC, to aid those wishing to cross the A19 during those times.

You will also see traffic cones placed on the A19 which will reduce the width of the A19 slightly adjacent to the site. This is to provide our operatives with a safety zone between themselves and the traffic during the stump clearance works. Two way traffic will be

Please be advised that we will need to install temporary traffic lights on the A19 for the piling works. The lights will operate during 'off peak' hours only. More information will be provided in your next newsletter.

Safety for children and the wider public.

Please be assured that the different areas of works will be securely fenced at all times to ensure the safety of the public.

held up for a short time whilst these manoeuvres take place.

Pedestrians will be given right of way along the footpaths of Fordlands Road but please be aware of deliveries using the entrances to site off Fordlands Road on occasion.
