Your ward

Fulford and Heslington

Fulford and Heslington are villages on the southern outskirts of York, both with parish councils and included in the City of York Council area. Both communities retain their village character with many areas and buildings of interest.

Ward Team

Your ward councillor sets priorities and works to address them with input from partners and residents. They host ward committee meetings and events, and lead a team of officers and partners working in the area called the ward team. Residents can attend events and meetings in your ward to find out about how local priorities are being addressed.

Ward Committee community meetings

The ward team has agreed a number of public meetings over the year that have taken place for residents, covering topical local issues. You are warmly invited to come along to any of these

events, which will be advertised on notice boards and on the ward web site.

Ward Surgeries

Councillor Keith Aspden is available to meet you throughout the year but also hosts a monthly Ward Surgery at the St. Oswald's Church Village Café, Fulford, 10am-12noon. Contact Keith for the next dates.

Ward Funding

Fulford and Heslington ward has a local budget which may be used for community, environmental, highways and social care projects.
