

School Lane Parish Field Improvements Works

Start:

17th January 2022

for 6 weeks

Access from the Fulfordgate entrance will be closed during the works to enable the contractors to work as safely and as quickly as possible.

Fulford Parish Council and Sports Club ask that you bear with us while we are working to improve the important community green space around the tennis courts, pavilion and Fulfordgate access route. Once completed, the area will be safer and more attractive, with better access for wheelchairs and more cycle parking.
