

## Get ready for

### Workshops and support

for parents, carers and grandparents of children starting school in September or January or whose first year at school was interrupted by lockdown.

Talk about how you can get your child off to a flying start!

Building confidence and supporting independence

Getting along with other children

Early reading, word and number skills

First day at school and settling in

Home learning and Family Learning

Sessions run in August and again in November. They will be online on Zoom\* and will last for about an hour. Don't worry if children join in! New to Zoom and online learning? Give us a call and we'll help to get you started.
